1. Purpose

The purpose of this document is to maintain visibility of suppliers engaged by Strategic Data Consultancy Ltd (SDC) and to support a consistent and controlled approach to supplier selection.

2. Scope

This document applies to all suppliers and subcontractors engaged by SDC in the delivery of its services.

3. Approach

SDC operates a small and controlled supply chain, engaging a limited number of suppliers to support delivery.

Suppliers are selected based on:

- Demonstrated competence and experience
 - Reliability and professionalism
 - Previous working relationships where applicable
 - Alignment with SDC policies and standards
-

4. Approved Suppliers

SDC maintains an overview of suppliers used across its operations.

Typical supplier categories include:

- Specialist subcontract surveyors
- Travel and accommodation providers
- Software and data capture platform providers

Where required, specific suppliers are engaged based on project needs and availability.

5. Supplier Selection

SDC will:

- Select suppliers appropriate to the scope and requirements of each project
 - Prioritise known and trusted suppliers where possible
 - Engage new suppliers where necessary based on capability and suitability
-

6. Review

This document will be reviewed periodically and updated as required to reflect current supplier engagement.

7. Responsibility

Overall responsibility for maintaining the Approved Supplier List sits with the Director.
