1. Purpose

The purpose of this report is to outline the approach taken by Strategic Data Consultancy Ltd (SDC) in delivering social value through its operations and to provide a summary of key activities and commitments.

2. Scope

This report applies to all activities undertaken by SDC in the delivery of its consultancy services.

3. Approach to Social Value

SDC delivers social value through its core business activities, with a focus on efficient, responsible, and sustainable service delivery.

SDC's approach is based on:

- Supporting efficient asset management and reducing unnecessary expenditure
 - Promoting environmentally responsible working practices
 - Engaging small and specialist suppliers within its delivery model
 - Delivering high-quality data to support informed decision-making
-

4. Key Areas of Impact

4.1 SME Engagement

SDC operates as a small business and actively engages SMEs and specialist suppliers as part of its delivery model.

This includes the use of subcontract surveyors and service providers to support project delivery.

4.2 Environmental Impact

SDC is committed to understanding and reducing the environmental impact of its operations.

This includes:

- Monitoring emissions through its Carbon Reduction Plan
 - Considering travel efficiency when planning project delivery
 - Supporting clients in reducing waste and unnecessary works through accurate asset data
-

4.3 Efficient Delivery

SDC supports clients in achieving cost and operational efficiencies by:

- Providing accurate asset verification
 - Supporting lifecycle planning
 - Reducing the need for reactive or unnecessary interventions
-

5. Example Delivery

Projects are planned and delivered in a manner that maximises efficiency.

This includes grouping site visits and minimising unnecessary travel, contributing to both environmental and cost savings.

6. Ongoing Commitment

SDC will continue to review and improve its approach to social value delivery as part of its annual review process.

Future improvements will focus on enhancing visibility, measurement, and reporting of social value outcomes.

7. Review

This report will be reviewed annually and updated as required.

8. Responsibility

Overall responsibility for social value delivery and reporting sits with the Director.
